

# **Aerospace Medical Association (AsMA) Fellows Scholarship**

**Sponsored by the AsMA Foundation**  
**Amount - \$2,000 U.S. (1<sup>st</sup> Place) and \$1,000 (2<sup>nd</sup> Place)**

## ***JUSTIFICATION FOR THE AsMA FELLOWS SCHOLARSHIP***

One of the stated purposes of the AsMA Foundation (established in May 5, 2006) is *"To provide scholarships for the purpose of underwriting, in whole or in part, the cost of registration fees, transportation, a meal per diem, or any other valid fees or expenses incurred by eligible students or residents in relation to their attendance at one or more scholarly meetings on topics related to aerospace medicine"*.

The AsMA Foundation delegated to the AsMA Fellows Group the task to develop and administer a scholarship program to accomplish the previously stated purpose. Therefore, the AsMA Fellows Scholarship Committee established the "AsMA Fellows Scholarship". The amount of this scholarship is currently set at \$2,000 U.S. for the 1<sup>st</sup> Place and \$1,000 for the 2<sup>nd</sup> Place.

## ***ELIGIBILITY CRITERIA***

- 1)** A student who is currently enrolled in an accredited under-graduate, graduate, or post-graduate education/training program in any of the following:
  - 1.1 An aviation/aerospace medicine residency program approved by the appropriate medical education accreditation organization in the country where the applicant is enrolled.
  - 1.2 A graduate level (Master's or Ph.D.) program in aviation/aerospace medicine.
  - 1.3 An aviation/aerospace medicine certificate and/or diplomate program with a duration of  $\geq 4$  weeks.
  - 1.4 A full-time education/training program in an allied scientific discipline (e.g. nursing, physiology, human factors, psychology, ergonomics, engineering, etc.) that is acceptable to the AsMA Fellows Scholarship Committee (AsMA-FSC).

**OR**

- 2) An individual who has successfully completed any of the above-mentioned education/training programs within the past 12 months of the deadline to apply for this scholarship.

**AND**

- 3) The applicant must be at least a student/resident AsMA member at the time of the application for this scholarship.
- 4) The applicant must not have been a previous recipient of this scholarship.

**SELECTION CRITERIA**

- 1) Eligible applicants must deliver a slide or poster presentation as a first author at the 2024 AsMA meeting based on original research work (basic or applied), scholastic work (i.e. thesis project), special project (i.e. position paper), clinical work (i.e. medical case reports), or other work performed (fully or partly) in conjunction with any of the above-mentioned education/training. Applicants must deliver their presentations in person at the AsMA meeting.
- 2) Eligible applicants must publish a manuscript as first author in the Aerospace Medicine & Human Performance (AMHP) journal that is based on the same topic and/or material covered in the slide or poster presentation delivered at the 2024 AsMA meeting. Eligible applicants are encouraged to submit their manuscripts for publication in the AMHP journal soon after they receive official notification of acceptance of their abstracts for presentation at the AsMA meeting. However, the absolute deadline to submit their manuscripts for publication in the AMHP journal will be April 30, 2024. Applicants can submit their manuscripts online at [www.editorialmanager.com/amhp/default.aspx](http://www.editorialmanager.com/amhp/default.aspx)
- 3) Eligible applicants must ensure that both, the presentation delivered at the 2024 AsMA meeting and the official approval to publish a manuscript in the AMHP journal are accomplished within 9 months of the scholarship application deadline (January 31, 2024). Applicants can submit a final letter of manuscript approval issued by the AMHP Editorial Office as evidence that their manuscripts have been officially accepted for publication in a future issue of the AMHP journal. Applicants must submit a copy of their final manuscripts accepted for publication to the Chair of the Fellows Scholarship Committee not later than October 31, 2024.
- 4) Presentations delivered by applicants at previous AsMA meetings (or other professional/scientific meetings) and manuscripts they previously published in

the AMHP journal (or in other publications in the open scientific literature) are not acceptable.

- 5)** The AsMA-FSC Chair must receive fully completed scholarship application forms not later than January 31, 2024. Applicants must indicate in the application form their intention to submit their manuscripts for publication in the AMHP journal not later than April 30, 2024.
- 6)** The scholarship winners (1<sup>st</sup> and 2<sup>nd</sup> Place) will be selected among all the qualified applicants based on the highest scientific value, originality, quality and relevance of their AsMA presentations and AMHP manuscripts related to the field of aerospace medicine (including allied scientific disciplines) as determined by the AsMA-FSC. Special consideration will be given to those applicants who are at an early stage in their career development.
