

GOOD SAMARITAN RESOLUTION - 96-2A

Whereas, Airlines carry medical kits for use by physicians and other medical professionals; and

Whereas, Medical assistance volunteered inflight is completely voluntary; and

Whereas, Airlines and states do not have consistent insurance or Good Samaritan Laws to protect the health care provider who renders voluntary assistance;

Therefore, be it resolved that, the Aerospace Medical Association supports federal legislation providing for a Good Samaritan Act covering those health care professionals who volunteer medical assistance on a commercial airline flight.
